MARKET LEADING

OPEN BIM

- We advocate “open standards” and interoperability

Holistic approach

- Software for the entire lifecycle of buildings, from planning and construction to facility management and the media & entertainment industry

Experts for experts

- Our software developers are coming from the industry and know exactly the challenges and needs of our clients

1. Software Solutions For the Entire Building Lifecycle

2. Software Solutions for Creatives

CINEMA 4D

3D computer animation, modeling, simulation, and rendering software.

FORGER

Mobile sculpting app designed for artists, by artists.

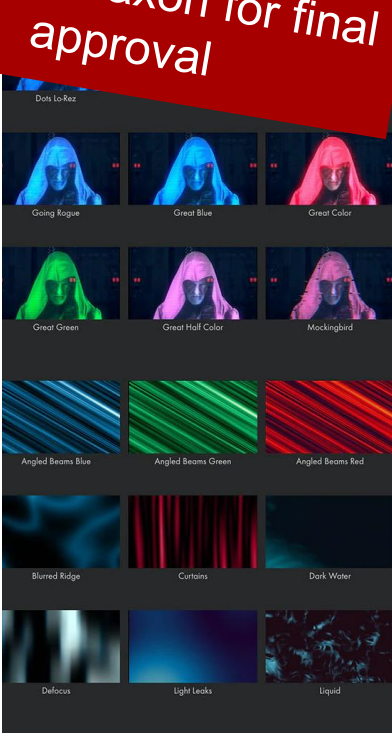

RED GIANT COMPLETE

Powerful tools for filmmaking and motion graphics.

REDSHIFT

The world's first fully GPU-accelerated, biased renderer.

UNIVERSE

Video transition and effects plugins for editors and motion graphics artists.

ZBRUSH

The industry standard for digital sculpting and painting.
